

## Click on Manage Accounts

The screenshot shows an email client interface. At the top, there are buttons for 'Forward' and 'Delete'. Below these, a settings menu is open, listing various options: 'Settings', 'Manage Accounts', 'Personalization', 'Quick Actions', 'Automatic Replies', 'Reading', 'Signature', 'Notifications', 'Email security', 'What's new', 'Help', 'Trust Center', 'Feedback', and 'About'. The 'Manage Accounts' option is highlighted with a grey background, and a black arrow points to it from the left. On the left side of the interface, there is a partially visible email header with the number '3387' and the text 'further help.' Below this, there is a line of text: '(s). If you are not the intended recipient, please do not monitor all incoming and outgoing email. It remains your responsibility to...'
